RIDGEVIEW GRILL
Comfort Food Right in Your Neighborhood

After reading positive reviews of Ridgeview Grill on JJ's List, we decided to try it for ourselves, and I have to say we had a very positive experience there. The ambience is great, the food and service were great. Love the big screen TV, and that the place is mass-transit accessible and physically accessible. We'll surely go back to this enjoyable and disability-aware restaurant!

Disability Awareness: Welcoming, Talked directly to the person/people with disability, Gave choices, Flexible service, Physically accessible
