

MAKING YOUR HOME A SAFE, HEALTHY—AND STYLISH!— PLACE TO AGE

Presenter: Leslie Markman-Stern, Owner, Leslie M. Stern Design Ltd.

Discover why it's healthier to live and age at home and how to do it right. Join interior designer Leslie Markman-Stern, who specializes in inventive home design for older adults and those with physical and cognitive disabilities, as she describes how aging affects mobility and navigation skills, and then offers affordable solutions that can be introduced in the home so you can "age in place" in safety and style. Leslie's talk includes fall prevention strategies, home safety suggestions, and recommendations for effective and attractive home modifications that will enhance resale value in the future.
